# YOUR DETECTIVE TOOLKIT (TUSC-APPROVED)

Everything you need to join Ani and Riri on a mystery mission!

<input checked="" type="checkbox"/>  <b>A Curious Mind</b> <p>Like Ani, you need sharp observation skills and maybe a little bit of healthy suspicion. Always ask why, who and how.</p>	<input type="checkbox"/>  <b>A Notebook</b> (Preferably Vegan Leather!) <p>For jotting down clues, doodling Deadwood Manor maps or making lists like Riri.</p>	<input type="checkbox"/>  <b>A Trusty Pen or Pencil</b> <p>Essential for writing secret notes or decoding hidden messages – preferably one that doesn't leak in your backpack!</p>	<input type="checkbox"/>  <b>Mini Torch</b> <p>For late-night clue-hunting (or checking under your hotel bed at the Sunburst Resort).</p>
<input type="checkbox"/>  <b>Magnifying Glass</b> <p>Because the tiniest details, like footprints in fake theme-park dust, matter.</p>	<input type="checkbox"/>  <b>Invisible Ink or UV Light</b> <p>Used by Ani for secret messages and evidence that only true sleuths can see.</p>	<input type="checkbox"/>  <b>Wristwatch or Timer</b> <p>Riri would never be late for a clue! Stay on schedule and track suspects' alibis.</p>	<input type="checkbox"/>  <b>A Charged Phone</b> (unlike Ani's!) <p>For emergencies, maps or tracking locations on the Find My Twin app. Bonus points for using it to send 'mystery updates' to your team.</p>
<input type="checkbox"/>  <b>A Brave Heart</b> <p>Deadwood Manor can be spooky, but a true detective never backs down from a challenge.</p>		<input type="checkbox"/>  <b>A Detective Partner</b> <p>Every Ani needs a Riri – teamwork makes the mystery work!</p>
